Something Special

Your Skin is as individual as you are! Skin Focus Beauty Spa offers a range of facials designed to pamper and treat your skin's individual needs. We use, sell and recommend Sothys and Dermalogica products , which are designed to treat your skin concerns, deliver optimum results , improve skin condition and maintain skins health. A complimentary Skin Analysis is performed with each facial, so that we can determine the best treatment, and prescribe the correct home care products, to enhance your salon experience.

Sothys Facial Treatments

Sothys Institute Treatments offer the latest technology in skin care from Paris.

Seasonal Facial **45 minutes** **\$85**

Each season, Sothys releases a cocktail of seasonal fruits to treat the skins needs for the upcoming weather conditions. The facial will hydrate, repair and nurture the skin from the harsh external environment, resulting in a radiant glow.

The Flash Beaute Treatment **60 minutes** **\$99**

This Vitamin C radiance facial provides , in just 1 hour, a powerful pick-me-up cocktail for people on the go. The perfect treatment to energize your skin resulting in a radiant complexion glowing with good health.

Correcting/Purifying Treatment **60 minutes** **\$99**

Sothys Correcting Treatment is a powerful clarifying technique for oily problem skin with persistent eruptions, through to acne skin. Often oily problem skin can maintain its balance with a series of Correcting Treatments supported with a good home-care routine.

Oxyliance (Energising) Treatment **60 minutes** **\$110**

The radiance, vitality and youthfulness of the skin depends upon its energy level and ability to recover from the modern lifestyle effects of a polluted or stressful environment. This rejuvenating facial treats tired, stressed and sluggish skin.

Hydroptimale Treatment **60 minutes** **\$110**

The ultimate rehydrating facial!! This treatment encourages the skin to use its own natural biological system to preserve itself against time and accelerated skin ageing through dehydration of the skins tissues, creating a healthier, more youthful complexion.

Lift Defense Treatment **60 minutes** **\$110**

This treatment offers the ultimate in skin resurfacing, with lifting , re-densifying, firming and diminishes fine lines and wrinkles. After this facial the skin will be left youthful and glowing.

Dermalogica Facial Treatments

dermalogica[®]

Dermalogica is used and recommended by the International Dermal Institute and has been developed by American dermatologists in association with Skin Estheticians. Each treatment is customized to suit your individual needs. All you have to decide is how long you would like to be pampered for and leave the rest to us while you relax!!
